# QuadCut® Drill Bits

## QUICK RELEASE 1/4" HEX SHANK

- Mechanic length with a quick release shank
- Special Hi-Molybdenum tool steel
- 135° split point for fast penetration and accurate starting without center punch
- Body and clearance treated for maximum lubricity
- Black oxide flute treatment promotes faster chip removal
- Especially designed for hand held drills
- Recommended use in work hardening grades of stainless steel and other hard metal drill applications
- Adaptor eases changing of cutting tools
