ClearPlus®

windshield products
premium performance

- Hugs the windshield like a beam blade
- More pressure points (6 for sizes 16" and 17", 8 starting size 18") provide significantly better quality of wipe in comparison to other premium brands
- 1.2 mm galvanized steel frame eliminates wind lift completely

QUALITY AT A VALUE

sentinel series

ClearPlus®

windshield products
superior performance

Universal preinstalled adapter works with roughly 98% of the cars and trucks on North American roads

Patented natural rubber formulation is compression molded and meets or exceeds all physical property benchmarks of major global brands

Adapter mounting pin and saddle are designed to strengthen overall structure and reduce corrosion. Frame structure and design outperform competition in salt-spray, stress and wind-tunnel tests
